

Antique Entrance Boot Scraper, English, Doorway Shoe Cleaner, Pull, Victorian

DESCRIPTION

Our Stock # 26088

This is an antique entrance boot scraper. An English, cast iron doorway shoe cleaner and pull, dating to the late Victorian period, circa 1900.

- Generously sized scraper with a delightful appearance
- Displaying a desirable aged patina and in good order
- Cast iron form presents a good, consistent graphite finish
- Good weight in the hand at a weight of 4.52kg (9.96 lb)
- Unusually generous scraper bar with a width of 22cm (8.75")
- Pronounced boot pulls adorn either end of the bar
- Maker's mark for J & J Siddons and pattern number 57 engraved to the scraper
- Oval quarterfoil form to the drip tray with a decorative cast edge
- Tray replete with a pair of mounting holes for setting into concrete or tiles
