

Antique Fireside Coal Bucket, English, Brass, Fireplace Scuttle, Keeper, Regency

DESCRIPTION

Our Stock # 26191

This is an antique fireside coal bucket. An English, brass fireplace log scuttle or keeper, dating to the Regency period, circa 1820.

- Fascinating Regency example with an endearing decorative appearance
- Displays a desirable aged patina and in good original order
- Brass skilfully crafted and accentuated with eye-catching, hand-beaten hammering
- Scuttle form presents golden brass tones throughout
- Broad, rolled handle articulates upon a pair of attractive brass keepers
- Shaped rear handle offering a balanced feel in the hand for stocking a fireplace
- Standing upon a trio of charming hoof feet, with a decorative flourish to the knee
- Suitable for all fuel types, including coal, logs and kindling

This is an attractive antique fireside coal bucket, with a fine aged patina and rich colour. Delivered ready for the fireplace.
