

Antique County Map of Somerset, English, Framed Cartography, Regency, Circa 1830

DESCRIPTION

Our Stock # 26261

This is an antique county map of Somerset. An English, framed historical cartographic reference behind glass, dating to the Regency period, circa 1830.

- Fine atlas excerpt of the county once known as Somersetshire
- Displays a desirable aged patina and in good order
- Set within a tasteful later frame, behind clear glass
- Dressed to the rear with hanging braid for ease of mounting
- Likely engraved in 1813 by Robert Rowe, this atlas edition by Henry Teesdale
- This was published circa 1830 and known as 'A New British Atlas'
- Hand coloured presentation, with administrative boundaries marked
- Gives reference to the Hundreds, which were political areas used until the late 19th century
- Also featuring a key of explanations for the roads and canals featured
