

Vintage Botanical Picture, English, Framed, Foliate Art Print, After Jane Loudon

DESCRIPTION

Our Stock # 26236

This is a vintage botanical picture. An English, framed foliate print after Jane Loudon, dating to the late 20th century, circa 1970.

- Charming reproduction of the early Victorian original engraving
- Displays a desirable aged patina, with gently foxing commensurate with age
- Printed upon quality paper and set within a tasteful card border
- Presented behind clear, bright glass with mounting wire to the reverse

• After the 1841 original by Jane Loudon, from *The Ladies' Flower-Garden of Ornamental Bulbous Plants*

- This publication was compiled by Loudon, who was a pioneer in gardening literature
- Represents Plate 44 from the above volume, recreated in good detail
- Colourful bouquet hosts five numbered plant species
- Annotated with a key, providing their botanical names in Latin
