

Antique South Wales Map, English, Framed, Robert Morden Cartography, Circa 1720

DESCRIPTION

Our Stock # 26312

This is an antique framed map of South Wales. An English, atlas engraving of cartographic interest By Robert Morden, dating to the early 18th century, circa 1720.

- Delightful lithography of South Wales, as featured in a 1700s publication
- Presenting a desirable aged patina and in good order throughout
- Superb cartography, appealingly set within a tasteful, later frame
- Appealing level of detail and annotation adds further collector interest
- Fine historical appeal, with place names written in their 17th century form
- References to The Hundreds, the administrative divisions in use until the mid-19th century
- Mapped by the renowned Robert Morden (1650 - 1703) in high detail and hand coloured for visual appeal
- Dressed to the rear with hanging wire for ease of mounting

This is a superb antique map of South Wales, with fine cartographic interest and presented in a tasteful later frame. Delivered ready to display.
