

Antique Region Map, South Wales, English, John Cary, Framed, Atlas, Georgian

DESCRIPTION

Our Stock # 26329

This is an antique region map of South Wales. An English, framed atlas engraving of cartographic interest by John Cary, dating to the Georgian period, circa 1810.

- Superb lithography of South Wales in excellent detail, perfect for display
- Displaying a desirable aged patina and in good original order
- Fascinating cartography, appealingly set within a quality, later frame
- With an ebonised finish and gilt edging, the frame adding to the appeal
- Hand-coloured borders, coasts and places of interest accentuate the map
- Published by the estimable map maker John Cary in April 1811
- Almost certainly an original entry of Cary's New English Atlas
- Frame dressed to the rear with hanging cord for ease of mounting

This is a quality antique region map of South Wales, with fine cartographic interest. Delivered ready to display.
