Set of 5 Antique Apothecary Bottles, English, Chemist Storage Jars, Victorian

DESCRIPTION

Our Stock # 26398
This is a set of 5 antique apothecary bottles. An English, glass chemist's storage jar with inset gilt labels, dating to the late Victorian period, circa 1900.

- Delightful period chemist's display set, across three sizes
- Presenting a desirable aged patina, some minor loss under close inspection
- Clear bright glass bottle form with neat, ground glass stoppers
- Charming label under glass designations, with reverse painted gilt finish
- Each of the five bottles annotated with a separate chemical or substance

This is a fascinating set of 5 antique apothecary bottles, offering a distinctive decorative addition to a period space or as a display in a working chemist shop. Delivered ready to display.
