

French Lamp Table, Giltwood, Marble, Classical Revival, Occasional, Side C20th

**DESCRIPTION**

Our Stock # 18.5513

This is a French lamp table, a giltwood and marble, classical revival, occasional, side, centre table dating to the late 20th century.

- Desirable colour and patina to the giltwood frame
- Of quality craftsmanship and select materials
- Robust and sturdy display table
- Raised on four, tapering, helically reeded legs
- To bulging acanthus leaf cups and reel mounts
- United by a shaped 'X' frame stretcher
- The well executed carved apron in good proportion
- The quality marble slab displays well
- Attractive nebulous veining in blush hues and whites
- Rounded edge detail sitting snugly within the frame recess
