

Antique Georgian Chest of Drawers, English, Walnut, 18th Century, Circa 1750

DESCRIPTION

Our Stock # 18.5664

This is an antique Georgian chest of drawers. An English, walnut chest dating to the mid 18th century, circa 1750.

- Attractive caramel tones to the well figured English walnut
- Desirable aged patina in the lustre of the wax polished finish
- Of quality craftsmanship and in good proportion
- The quarter-veneered top displays attractive grain interest
- Framed with a cross-banded border and finished with an edge moulding
- Side panels in good order and displaying good consistent colour
- Smooth sliding, oak lined drawers arranged '2 over 3' graduated
- Dressed with later solid brass drop handles over etched 'batwing' back plates
- Etched brass keyhole escutcheons, brass locks untested as key absent
- Raised on bracket feet all round
