

Antique Chinese Export Side Table, Carved, Oriental, Victorian, Circa 1900

DESCRIPTION

Our Stock # 18.5803

This is an antique Chinese export side table, a carved oriental table dating to the late Victorian period at the turn of the 20th century, circa 1900.

- In good proportion and of quality craftsmanship
- The dark stained mahogany displays beautifully
- Vigorously carved with a desirable aged patina
- The three-quarter galleried top with low relief carved decoration
- A scene featuring bird, fan and foliate detail
- Bordered with an etched decoration
- A pair of frieze drawers to the front flank a carved animal mask
- The drawer fronts with stylised decoration, dressed with ornate drop handles
- A highly decorative pierced and carved frieze to the sides and back
- Raised on pierced cabriole legs, on leg missing some decoration
- United by a lower tier for stability and offering display space
