

Antique Ships Mooring Bitt, Maritime Bollard, Iron, Capstan, Victorian, c.1900

**DESCRIPTION**

Our Stock # 18.5989

This is an antique ship's mooring bitt or maritime bollard. An English, hollow cast iron, ship's capstan dating to the late Victorian period, circa 1900.

- Stout mooring bollard with 38cm (15 inches) central height
- Desirable, time served patina
- Flared mooring arms for easier rope location
- Broad mounting plate with four bolt holes

A lovely antique ship's mooring bitt ready for duty.
