

Large Antique Pine Sideboard, French, Late 19th Century, Buffet, Circa 1900

DESCRIPTION

Our Stock # 18.5966

This is a large, antique pine sideboard. A French, late 19th century dining room buffet cabinet circa 1900.

- Crafted from generous stocks of antique pine
- Displaying rich honey hues in a wax polished finish
- Showing fine grain interest and a desirable aged patina
- Offering generous storage with appealing classical overtones
- A large, shaped backboard decorated with carved scroll detail
- · Crowned with an attractive, carved open palm motif
- Shaped counter top with edge moulding before narrow shelf raised on baluster pillars
 - Flanked by a pair of napery drawers with display space over
 - A suite of three graduated drawers offering abundant storage
 - Dressed with pairs of solid brass drop handles over pierced brass backplates
 - Cupboards either side with shaped relief field panels
