

Vintage, Ships Compass, English, Steel, Maritime, Navigation, Circa 1950

**DESCRIPTION**

Our Stock # 18.5051

This is a vintage ship's compass. An English, steel, maritime navigation compass dating to the mid-20th century, circa 1950.

- Displaying a desirable aged patina and a consistent colour throughout
- Pressed steel design with sealed compass unit
- Cardinal directions with magnetic north marked using a fleur de lys motif
- Also displays intercardinal and secondary intercardinal points for extra accuracy

This charming piece of maritime navigation would add interest to many a location. Of solid construction, delivered polished and ready for the captain's bridge or the home.
