

Victorian Deer Figure

DESCRIPTION

Our Stock # LFA-1113 This is a very unusual small antique animal figure in the form of a young buck. Cast in iron, the sculpture has a rustic charm and fantastic patina. Diminutive in size the detail is not fussy but clean and charming with the deer alert and displaying a three horn antler. Dating to the mid-Victorian period, c.1870, it is a rare and beautiful artisan object. Supplied in antique condition with free delivery.
