

Aesthetic Period Octagonal Window Table

DESCRIPTION

Our Stock # LFA-1189 is an aesthetic period window table dating to c.1880. Understated and subtly detailed, this ebonised side table is bordered with inlaid amboyna defined by boxwood stringing. Beneath the top the tapered, baluster vase turned legs are united by an 'x' stretcher and rise on splayed, curved legs terminating in the original white ceramic castors. Ormolu beaded detail dresses the legs accentuating the detail beautifully. A superior example with solid joints, delivered waxed and polished ready for the home.
