

Antique Comitti Stick Barometer, English, Rosewood, Mahogany, Feather, Fan

DESCRIPTION

Our Stock # 18.5641

This is an antique Comitti stick barometer. An English, rosewood and mahogany feather fan barometer dating to the early 20th century, circa 1910.

- Select cuts of rosewood display rich hues throughout
- Displays a desirable aged patina
- Original silvered face in good order
- Weather conditions marked on graduated scale, with adjustable change slider
- Annotated for temperature in Fahrenheit and Centigrade
 - Displays the maker's mark of Comitti Holborn and further marked as Made in England
- Classic broken arched pediment with a decorative brass finial
- Mahogany inlay adds an elegant decorative touch
- Hemispherical cistern cover features at the bottom
