

Vintage Stalking Telescope, English, Leather, Brass, Pocket, 3 Draw, Early C20th

DESCRIPTION

Our Stock # 18.5086

This is a vintage stalking telescope. An English, leather-bound brass, pocket, 3 draw refractor dating to the early 20th century.

- Of unusual form, with stout collar
- Blackened finish typical of stalking scopes
- In good order with a desirable aged patina
- Large, 45mm primary objective glass
- Graceful sliding sun shade, adding further appeal
- Smooth draw action to the three brass tubes
- Leather-bound primary barrel with soft grain and consistent colour
- Flared eyecup with swivel dust cover
- Closing to a pocket-friendly 24.5cm (9.75")

This is an unusual, but effective vintage stalking telescope, with its pocket-size frame well suited to many outdoor pursuits. Supplied with a London Fine oak and brass 'Captain's Stand' for display.
