

Vintage Carved Wall Panel, Ceylon, Ironwood, Decorative, Frieze, Jungle, C20th

DESCRIPTION

Our Stock # 18.6148

This is a vintage carved wall panel. A Ceylon, ironwood decorative frieze depicting a jungle clearing and dating to the 20th century.

- Striking detail and broad, impressive form
- Displays a desirable aged patina
- Stocks of ironwood in good order with fine grain interest
- Stout, bevelled frame
- Beautiful tonality to the profusely carved jungle scene
- Carved in several layers, adding depth to the piece
- Presented against a light foreground with a darker stained background
- Majestic elephant figures with riders and logging dress
- Trees are adorned with bountiful detail and distinct from one another
- Grass roofed hut another highlight of fine detail
