

Vintage Ear Sculpture, English, Plaster, Haut Relief, Anatomical Portrait, C20th

**DESCRIPTION**

Our Stock # 18.6226

This is a vintage ear sculpture. An English, plaster cast haut relief anatomical portrait, dating to the late 20th century.

- Unusual form and subject
- Displays a desirable aged patina
- Anatomical ear makes for a conversation piece
- Replete with small brass loop for wall mounting

This vintage portrait sculpture is an unusual example of haut relief. Delivered ready for display.
