

Vintage Ottoman, English, Mahogany, Rising, Secret, Safe, Cabinet, 20th Century

DESCRIPTION

Our Stock # 18.5393

This is a vintage electronic ottoman. An English, mahogany and marine ply rising secret or safe cabinet in original condition and dating to the late 20th century, circa 1980.

- Add a touch of 007 to your room with this fascinating ottoman
- Superb rising mechanism with a smooth, gliding action
- Very robustly crafted and solid – fabric worn and marked as per images
- An ideal starting point for restorative projects
- Scissor-lift operates with a 3-way rocker switch to the side
- Padded top giving the appearance of a traditional ottoman
- Unusual trapezoid shape adds further appeal
- Enclosure suitable for a small safe, beverage refrigerator or champagne cooler
- Standing upon four, squat bun feet
- Generous length of quality cable and a British Standard compliant fused plug

This vintage electronic ottoman is an unusual, appealing item in honest, original order. The mechanism itself is of high quality, with a gliding action that will benefit a sympathetic restoration or delight an institution with interactive displays. Solid joints and construction, delivered ready for display.
