

Vintage Child Portrait Bust, English, Plaster, Study, Young Boy, 20th Century

**DESCRIPTION**

Our Stock # 18.6235

This is a vintage child portrait bust. An English, plaster cast study of a young boy, dating to the late 20th century.

- Full of character and charm
- Displays a desirable aged patina
- Impish look captures the essence of a mischievous child
- Wavy hair and features nicely defined
- Standing upon a rolled, concentric socle

This is a vintage bust with an abundance of charm. Delivered ready for display.
