

Vintage Glass Display Cabinet, English, Oak, Retail, Shop, Museum, Showcase

DESCRIPTION

Our Stock # 18.6107

This is a vintage glass display cabinet. An English, oak retail shop or museum showcase, dating to the late 20th century, circa 1970.

- Displays a desirable aged patina
- Select oak shows fine grain interest
- Faint wisps of medullary rays offer further visual appeal
- Original glass plates in good order
- Apex cabinet design with appealing craftsmanship on show
- Single opening pane to the front allows access to the display space
- Dressed with a pair of turned wooden pulls
- Working lock and key with quality brass keyhole linings
- A pair of opening drop-leaves to the front and rear of the lower cabinet
- Each leaf secured by working lock and key with brass keyhole lining
- A suite of four storage trays can be accessed either side
