

Antique Fire Guard, Scottish, Brass, Steel, Fireplace, Stand, 20th Century

DESCRIPTION

Our Stock # 18.6353

This is an antique fire guard. A Scottish, brass and steel fireplace stand, dating to the early 20th century, circa 1920.

- Delightfully weathered fireside appeal
- Displays a desirable aged patina
- Brass shows authentic colouration commensurate with age
- Bold, relief griffin adds period heraldic interest
- Steel rivet border adds strength
- Standing upon four sinuous legs with flat feet

This is an appealing antique fire guard with a wonderfully aged patina. Delivered polished and ready for the fireside.
