

Framed Maritime Scene, Oil Painting, Maritime, Fishermen, Art, Original

DESCRIPTION

Our Stock # 18.6418

This is a framed, maritime scene oil painting by the renowned marine and equine artist David Chambers. 'Gathering' is an original, oil on board painting from David's recent collection

Two small rowboats congregate to the same location, in hope of catching a bountiful streak. The crew of the blue boat work together to pull in the catch net, whilst the lone member of the red vessel looks on, forlorn. Are they working together, or is this a scene of an opportunity lost? As with other examples of David's work, this piece invites interpretation.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

Delivered as a ready to display original, resplendent in a quality, stylish frame and supplied with mountings. This is a fantastic opportunity to own one of David's originals and enhance any space within the home.
