**DESCRIPTION**

Our Stock # 18.6420

This is a framed, landscape oil painting by the renowned marine and equine artist David Chambers. 'Onward' is an original, oil on board painting from David's recent collection.

A wonderful twilight image, capturing St Michael's Mount, Cornwall as its backdrop. A horse-drawn hay-wain is being led back into shore as a gentle tide laps against the beach underfoot. A cool overall balance comes from the steel blue sky and earthy, wet sand. A typically Cornish gathering of gulls adds the light-hearted element found in many of David's works.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

Delivered as a ready to display original, resplendent in a quality, stylish frame and supplied with mountings. This is a fantastic opportunity to own one of David's originals and enhance any space within the home.
