This is a framed, equine oil painting by the renowned marine and equine artist David Chambers. 'Lead' is an original, oil on board painting from David's recent collection.

A beautiful scene, two grand working horses stop at a watering hole to re-hydrate. The rider sits atop the drinking horse with a hint of the setting sun colouring the wisps of clouds behind them. The wet ground underfoot reflects the scene above, with the horse's wet feathers upon his fetlocks picked out wonderfully.

Worldwide, David's work provides collectors with excellent investment potential. His mastery of the subject dictates that the classic 'Turneresque' nature of his craft will be sought-after for generations to come. Each painting is signed by the artist for authenticity.

Delivered as a ready to display original, resplendent in a quality, stylish frame and supplied with mountings. This is a fantastic opportunity to own one of David's originals and enhance any space within the home.
