

Antique X-Frame Chair, Middle Eastern, Mahogany, Seat, Bone Inlay, Circa 1850

DESCRIPTION

Our Stock # 18.6479

This is an antique x-frame chair. A Middle Eastern, ebonised mahogany seat with elaborate bone inlay, dating to the mid 19th century, circa 1850.

- Extraordinary decoration and form
- Displays a desirable aged patina
- Stunning in its ebonised mahogany finish with rich, dark hues
- Resplendent with ornate bone inlays to each surface
- Strong Middle Eastern taste
- Shaped bat-wing top rail with diamond pattern perimeter and foliate motif
- Carved elbows with scrolled arms and further pattern inlays
- Relaxed seat height of 37.5cm (14.75")
- Seat carved with tapered edge, decorated with three large patera and borders
- X-form legs benefit from small patera and star decoration
- Each leg united by shaped stretchers, again with their own inlaid patterns
