

Vintage Asprey's Reference Library, English, Leather, Compendium, 8 Books, 1925

DESCRIPTION

Our Stock # 18.6542

This is a vintage Asprey's of London reference library. An English, leather-bound compendium of 8 books, replete with oak display stand, dating to the early 20th century, circa 1925.

- Lovingly thumbed over the last century
- Displaying a timeworn, desirable patina
- Leather bound in dark russet hues with beautiful gilt pages
- Displayed on an angled, oak book shelf
- Binding to covers has come loose from seven of the set
- All covers present, one replacement spine
- Internal quality of each book is fortunately in very good order
- Covers topics such as French and Latin quotes, the Classics and a French & English Dictionary
- An Asprey's Gazettee, Encyclopaedia and World Atlas make for fascinating, period reference

This is a fantastic vintage reference library, whose tomes have been graced by enthusiastic users for decades. Well suited for ornamental display on a desk or for the bibliophile collector. Delivered ready for the home.
