

Antique Carpenter's Square, Scottish, Ebony, Brass, Tool, Victorian, Circa 1900

**DESCRIPTION**

Our Stock # 18.6573

This is an antique carpenter's square. A Scottish, ebony and brass tool, dating to the late Victorian period, circa 1900.

- Nicely decorated set square
- Displays a desirable aged patina
- Ebony handle capped with brass
- Attractive tri-form brass shield with pegged bonding to each side
- Carved geometric circular guild seal or motif to each side of the handle
- The base featuring the name of a Jn. McCubbin

This is an appealing antique carpenter's square. Delivered polished and ready for display.
