

Antique Building Block Set, German, Pine, Froebel, Toy Box, Edwardian, C.1910

**DESCRIPTION**

Our Stock # 18.6587

This is an antique building block set. A German, pine 71-piece Froebel toy box, dating to the Edwardian period, circa 1910.

- A fascinating building block set with great period appeal
- Rare and highly collectible
- Displays a desirable aged patina
- Pine storage box shows rich caramel hues and charming children's handwriting
- 71-pieces predominantly in pine with red coloured pieces cast in stone
- Fantastic lithograph box illustration applied upon a larger piece
- The image of Friedrich Froebel – the inventor of the kindergarten – appears top left
- A wonderfully Germanic bridge structure aids the imagination
- Bricks comprising of straights in different lengths, archways and triangles

This is a wonderful opportunity to experience an antique building box set from the founder of the kindergarten. Sure to inspire old and young alike, delivered polished and ready for the home.
