

Antique Marriage Chest, Asian, Chinese Elm, Carved Dowry Trunk, Circa 1900

DESCRIPTION

Our Stock # 18.6574

This is an antique marriage chest. An Asian, Chinese Elm carved dowry trunk, dating to the 19th century, circa 1900.

- Captivating matrimonial chest
- Displays a desirable aged patina
- Select Chinese Elm with fine grain interest
- Rich caramel hues throughout the wax polish finish
- Five compartments within a carriage frame
- Compartments dressed with iron studded corners
- Sliding stanchion helps keep trays secure
- Dressed with a square, rotating handle to the surmount
- Pierced upper apron replete with foliate carvings and further studded detail
- Carved end supports adorning each side of the chest platform
- Iron support arms terminate at the continuous plinth base
