

Vintage Chess Set, English, Stone Resin, Gaming, Pieces, Gothic Taste, C.1990

**DESCRIPTION**

Our Stock # 18.6691

This is a vintage chess set. An English, stone resin gaming set of chess pieces in Gothic taste, dating to the late 20th century, circa 1990.

- Appealing medieval-style chess set
- Displays a desirable aged patina
- Stone resin in good order
- Complete with baize lined wooden storage box
- Details accentuated with applied weathering
- Pieces influenced by the famous 12th century Lewis Chessmen
- King and Queen featuring further carved detail to rear of piece
- Knights, Bishops and Rooks featuring their own Gothic style

This is a vintage chess set with a dash of Gothic appeal. Delivered ready for the home. Box
