DESCRIPTION

Our Stock # 18.6713

This is a vintage mounted horn display. A Scottish, longhorn cattle and pine wall hanging decorative piece, dating to the mid 20th century.

- Wonderful naive charm
- Displays a desirable aged patina
- Natural cattle horn against a pine ground
- Pine shows appealing caramel hues
- Hand-painted with 'Highland View'
- Stout metal chain to rear for wall hanging

This is an appealing vintage mounted horn, well suited to a reception room in a suitably lofty locale. Delivered polished and ready for display.
