

Vintage Death Mask, English, Bronze, Memento Mori, 20th Century, Circa 1960

**DESCRIPTION**

Our Stock # 18.6721

This is a vintage death mask. An English, bronze cast memento mori, dating to the 20th century, circa 1960.

- Fascinating later example of the popular Victorian practice
- Displays a desirable aged patina
- Superb copper colouration to the cast bronze finish
- Pleasingly heavy at 2.1kg (4.6lb)
- Solid rear bar for wall hanging

This is a truly endearing vintage death mask, with great colour and appealingly lugubrious facial expression. Delivered polished and ready for display.
