

## Large Vintage Pantagraph, English, Brass, Scientific Mapping Instrument, C.1950

### DESCRIPTION

Our Stock # 18.6753

This is a large vintage pantagraph. An English, brass scientific mapping instrument, dating to the mid 20th century, circa 1950.

- Fascinating scale and mechanical interest
- Displays a desirable aged patina
- Bright brass finish with appealing golden tones
- Dark painted frame in good order
- Extends to a maximum depth of 155.5cm (61.25")
- Pleasingly knurled adjustment knobs
- Rolling on a trio of smooth castors
  - Engraved to the top with the initials W.F.S. a serial number and the MoD pheon broad arrow mark
- Presented within a spacious carriage box
- On His Majesty's Service label shows appealing ageing
