

Antique Regency Revival Sideboard, English, Flame Mahogany, Victorian, C.1900

DESCRIPTION

Our Stock # 18.6656

This is an antique Regency revival sideboard. An English, flame mahogany dresser cabinet, dating to the late Victorian period, circa 1900.

- Quality piece of furniture with Regency revival taste
- Displays a desirable aged patina – light sun markings to upper surface
- Flame mahogany presents wonderful grain interest
- The radiant colours of russet hues shine through the wax polish finish
- Elegant, shaped back rest with foliate carved surmount above an oval field panel
- Attractive pattern carving decorates the dresser top edge
- Arranged as a useful pair of wide drawers over two cabinets below
- Repetition of the oval motif to the central fascia in contrasting hues
- Drawer fronts dressed with brass drop handles with floral back plates
- Cabinet doors with working inset, brass lined locks – key present
- The doors set off with quality beaded shield forms
