

Vintage Sight Level, English, Brass, Handheld Surveyor's Instrument, Circa 1930

DESCRIPTION

Our Stock # 18.6866

This is a vintage sight level. An English, brass handheld surveyor's instrument, dating to the early 20th century, circa 1930.

- Appealing polished finish to this period instrument
- Displays a desirable aged patina
- Polished brass primary barrel beams with golden tones
- Clear, bright glass objective in good order
- Barrel-style spirit level above
- Flared eye-cup to rear with fine knurled detail to circumference
- Adjustable horizontal level platform with vernier and tripod mount
- Small wooden carry case with later label

This is an attractive vintage sight level, ideal for collectors of scientific instruments or as a desk ornament. Delivered polished and ready for the home.
