

Vintage Scientist's Field Microscope, English, Brass, Instrument, Circa 1950

DESCRIPTION

Our Stock # 18.6868

This is a vintage scientist's field microscope. An English, brass, pocket instrument, dating to the mid 20th century, circa 1950.

- Superb brass instrument
- Displays a desirable aged patina
- Polished brass beams with rich golden hues
- Wooden carry case replete with three glass slides
- Sliding adjustable eye-piece
- Slide viewing platform within recess
- Rotating mirror to adjust available light projection
- Charming green slide with French cursive reads 'foil de loutre'

This is a fascinating, portable vintage field microscope. Sure to appeal to those of a scientific mind and ideal as a desk ornament. Delivered polished and ready for the home.
