

Antique Shop Display Cabinet, English, Walnut, Shopfitting, Chemist, Victorian

DESCRIPTION

Our Stock # 18.6801

This is an antique shop display cabinet. An English, walnut shopfitting counter top chemist's showcase, dating to the Victorian period, circa 1860.

- Superb retail cabinet
- Displays a desirable aged patina
- Select walnut shows fine grain interest
- Glass in good order throughout
- Sliding rear doors for ease of access upon a counter top
- Pair of glass shelves with brass brackets
- The cabinet ceiling and base finished in attractive milk glass
- Standing upon a tiered plinth base

This is a quality antique shop display cabinet, well suited for display in jewellery or decorative retail spaces. For the collector, the clear, bright glass affords super show case appeal. Solid joints and construction, delivered waxed, polished and ready for merchandise or collectibles.
