

Antique Side Chair, 19th Century, Nursing, Salon, English, Walnut, Circa 1820

DESCRIPTION

Our Stock # 10.1779

This is an antique side chair, a 19th century nursing or salon chair in English walnut dating to the early 19th century circa 1820.

- A superior example in fine condition
- The English walnut frame displaying good colour, grain interest and a desirable aged patina
- Traditionally stuffed and professionally upholstered
- Finished in an emerald green damask cloth with matching brocade trim
- Raised on cabriole legs to the front and swept rear legs
- The serpentine seat rails run seamlessly and sinuously around the seat pad
- Displaying well executed carved detail of floral and foliate detail
- The front legs riding upon solid brass castors
- The attractive, shaped, show-back, back rest is a work of art
- Displaying a lower carving and rising to a magnificent cresting rail
 - A carved shell flanked by floral sprays frame the magnificent, circular fretwork centrepiece
