

Vintage Pair Of Industrial Rollers, English, Ceramic, Vase, Cooler, Circa 1950

DESCRIPTION

Our Stock # 18.6915

This is a vintage pair of industrial rollers. An English, ceramic decorative dried flower vase or champagne cooler, dating to the mid 20th century, circa 1950.

- From the print industry to fireside or centrepiece chic
- Displaying a desirable aged patina in the industrial taste
- Ceramic roller in good order with marks commensurate with age
- Two hollow, cylindrical forms ideal for dried flower arrangements or bottle cooling
- Stout construction also well suited for use next to a fireplace

This is a left field and fascinating pair of vintage industrial rollers, with decorative appeal for lovers of industrial taste. Delivered polished and ready for display.
