

Antique Peacock Fire Screen, French, Brass, Fireside, Art Nouveau, Victorian

DESCRIPTION

Our Stock # 18.6871

This is an antique peacock fire screen. A French, brass fireside fan with Art Nouveau taste, dating to the Victorian period, circa 1900.

- Exudes elegance and enhances the fireside
- Displays a desirable aged patina
- Cast and profusely pierced brass a joy to behold
- Natural brass hues and golden tones
- Small baluster finial sitting at the surmount above the shaped frame
- Decorated with foliate motif in Art Nouveau taste
- Nine pierced fans concertina out in the manner of a peacock's tail
- Raised upon an eye-catching acanthus leaf decorated base

This is a wonderful antique peacock fire screen. High Art Nouveau appeal, this French fireside fan will enhance any room and provide a superb centrepiece. Delivered polished and ready for display.
