

Large Antique Fire Back, English, Cast Iron, Fireplace, Fireside, Victorian

DESCRIPTION

Our Stock # 18.6862

This is a large antique fire back. An English, heavy cast iron fireplace background in the Carolean style, dating to the late Victorian period, circa 1900.

- Seriously heavy, period fire back
- Displays a desirable aged patina
- Cast iron with consistent tones to the graphite finish
- Weighing in at 143kg (315lb) this is a substantial, lasting piece
- Cast detail in the Carolean revival or Restoration taste
- Large Crown seal to the centre with the CR monogram for King Charles the Second
- Regal lion and Unicorn casting with quality detail
- Set against a foliate ground typical of the style

This is a large antique fire back, with incredible weight and the reassurance of another century of dutiful service and decoration within a grand fireplace. Set to enhance the fireside appeal of any room, this piece is delivered polished and ready for display.
