DESCRIPTION

Our Stock # 18.6664

This is a vintage gargoyle. An English, reconstituted stone outdoor ornament with water feature, dating to the late 20th century, circa 1970.

- Add protection or charm to your outdoor space with this charming fellow
- Displays a desirable aged patina and fantastic weathering
- Reconstituted stone in good order
- Water spout from base to mouth, making it a true gargoyle
- The face carved in a jovial, demonic manner
- Caricature hands and feet offer a light-hearted take on the genre
- Marked to the rear '© DSL'

This is a superb vintage gargoyle, with a cheerful nature and suited to outdoor living high upon a wall or within an ornamental garden. Delivered ready for display.
