

Antique Helmet Coal Scuttle, English, Copper, Fireside Bucket, Victorian, 1870

DESCRIPTION

Our Stock # 18.6847

This is an antique helmet coal scuttle. An English, copper fireside bucket, dating to the Victorian period, circa 1870.

- Attractive antique scuttle and companion scoop
- Displays a desirable aged patina
- Rich copper tones and hues — superb weathering and patination
- Coal scoop in matching style, with beech handle and displaying fine grain interest
- Generous loop handle with smaller handle to the rear
- The rear handle stamped with 18 and a stylised S
- Original scoop rest inside the bucket
- Raised upon a tapering circular stand

This is a charming antique helmet coal scuttle, set to add a dash to the fireplace. Delivered polished and ready for the fire side.
