

Vintage Display Cabinet, Ecclesiastical, Shop, Retail, Showcase, Gothic Revival

DESCRIPTION

Our Stock # 18.6928

This is a vintage display cabinet. An English, oak ecclesiastical or shop retail showcase in Gothic revival taste, dating to the late 20th century, circa 1980.

- Unusual, but appealing form
- Displays a desirable aged patina
- Light oak stocks offer fine grain interest
- Mellow caramel hues beneath the wax polish finish
- Intriguing ecclesiastical glazed showcase with panes in good order
- Lift-up glazed door opens through near 180 degrees for good access within
- Five window lower cabinet affords viewing to three sides
- Fitted with interior lights — British standard compliant plug to rear with quality cable

- Field panel lower with a pair of cabinet doors
- Circular Abloy brass lock to right hand door and upper cabinet — keys absent
- The left door secured by a long sliding bolt
