

Antique Butcher's Block, English, Beech, Teak, Work Table, Kitchen Island, 1900

DESCRIPTION

Our Stock # 18.6959

This is an antique butcher's block. An English, beech and teak work table or kitchen island, dating to the late 19th century and later, circa 1900.

- Superbly aged block with later stand
- Displays a desirably aged patina throughout
- Beech block shows light golden tones and contrasting teak roundels
- Decades of skilled use has blessed the block with great character
- Later legs with tool tray in painted pine and solid teak respectively

This is a superb antique butcher's block that has been graced by skilled hands for many decades and the shape is testament to the tradesman's toil. Offering wonderful character, this block would serve as a fascinating kitchen island in a country house, or continue its purpose within a traditional butcher's shop. Delivered waxed, polished and ready to use or admire.
