

Vintage Flower Planter, Copper, Jardiniere, Pot, Art Nouveau Taste, Circa 1950

**DESCRIPTION**

Our Stock # 18.6985

This is a vintage flower planter. An English, copper jardiniere or pot with overtones of Art Nouveau taste, dating to the mid 20th century, circa 1950.

- Foliate bulb form and of generous size
- Displays a desirable aged patina
- Pleasingly weathered copper with dark hues
- Shaped petal rim cascades through the pot with a twisted vane finish
- Generous opening diameter of 24.5cm (9.75")

This is a charming vintage flower planter, with appealing foliate shape and patination. Delivered polished and ready for planting.
