

Very Large Vintage Bronze Boar Sculpture, Continental, Natural Study, Statue

DESCRIPTION

Our Stock # 18.7004

This is a very large, vintage bronze boar sculpture. A Continental, natural study or statue of the European wild boar, dating to the mid 20th century, circa 1950.

- Of profuse detail and impressive weight
- Displays a desirable aged patina
- Sculpted bronze with wonderful flashes of golden tones
- Extraordinary attention to detail in the fur coat
- Natural study of a male forest boar — of large size for a decorative sculpture
- Very heavy piece at 16.2kg (35.7lb)
- Standing atop a small woodland mound with leaf and acorn decor
- In the broad manner of Il Porcellino - a fountain in Florence, Italy
- Further influenced by the standing boars of 19th century Black Forest wood carvings
- Artist's name to front appears to read A. Trouffer
