

Vintage Rooster Statue, English, Bronze, Sculpture, Cockerel, Countryside Appeal

DESCRIPTION

Our Stock # 18.7011

This is a vintage rooster statue. An English, bronze sculptural study of a cockerel with countryside or farmhouse appeal, dating to the 20th century.

- Charming, fine feathered friend
- Displays a desirable aged patina
- Bronze shows great craftsmanship and weathering
- Appealing golden hues shimmer against the natural bronze finish
- Proudly posing against a woodland tree stump
- Head arched back in the classic dawn call position
- Striking plumage realised with individual feather detail
- Raised upon a circular, black marble base

This is a fascinating and friendly vintage rooster statue. Great detail to the body offers itself as a charming display piece. Delivered polished and ready to be enjoyed.
